"The Miracle Man"

8 REELS 8

The whole of life illumined! The flesh, the blood, the soul of living men and women—sinning, struggling, loving.

The reek of the underworld, the lure of the sea, the breath of the fields in summer. Fused, with a thousand smiles and tears, into a great dramatic entertainment that will live forever in your heart.

COME!

A romance of underworld rogues who sought "easy pickings" and found them. But when the arch crook and the girl with a painted face also found a wondrous thing they had never known before—Do you know what love is?

Come and see. Come live a life in an hour!
